

Children's Program Attendance

*Adopted by the Library Board of Trustees
August 4, 2011*

South Brunswick Public Library

The South Brunswick Library offers a variety of educational, cultural and early literacy programs for children of all ages.

Due to space limitations in our programming spaces, most children's programs are limited to South Brunswick Library card-holding families. In addition, some programs may require the advance distribution of entry tickets as a means of crowd control.

For more information about individual children's programs please inquire at the Children's Desk.
