

No Smoking Policy

Revised and Adopted by the Library Board of Trustees
June 24, 2021

In accordance with the New Jersey Smoke-Free Air Act, no smoking or vaping is permitted anywhere within the Christopher J. Killmurray Building or the Mobile Branch. The NJ Department of Health revised the definition of no smoking to include electronic smoking devices and hookah.

In addition, as established by the governance of the Library Board of Trustees, to ensure the safety and comfort of all library visitors, no smoking is permitted at any of the library's entrances or anywhere on the library campus. The Board of Trustees has designated the library building and its campus to be a Smoke Free Zone.
