Library Cards

All South Brunswick residents are eligible for a free library card. Resident library cards are valid for a period of three years. They may be renewed and updated in person after address, phone and/or email have been verified.

Adults 18 and over must show identification and proof of residency. As proof of residency, the library will accept a valid driver's license, deed, lease, utility bill, or other official document. A post office box is not a valid proof of residency.

Juveniles 17 and younger must have permission of a parent or legal guardian. A juvenile card allows children to check out all material from the library's collection. Parents or guardians are encouraged to supervise their children's reading and borrowing. A parent or guardian must be present at time of registration and have proof of residency in order to obtain a card for his/her child. Parents or legal guardians are responsible for all items checked out on a minor's card.

Temporary South Brunswick residents may receive a library card if he/she can provide a letter from the property owner where he/she is residing or the manager of the hotel/residence inn indicating the length of stay. The library card's expiration date will reflect the duration of the stay.

South Brunswick Library cards can be used at any reciprocal library in New Jersey, however, lending library's rules apply to borrowing. Likewise, cardholders from participating libraries may borrow most items from the South Brunswick Library providing they are in possession of their library card and in good standing.

Individuals who work in South Brunswick but live in another municipality are entitled to a free library card valid only at the South Brunswick Public Library. This card is valid for one year and individuals must present proof of employment, i.e. paycheck stub, at time of registration and when the card is due for renewal.

Students who attend school in South Brunswick but live in another municipality are eligible to receive a student card valid for one year. This card provides students full access to the South Brunswick Library only.

Non-residents may purchase a non-resident card for a fee of \$75/year. This card allows access to all borrowing privileges at the South Brunswick Library and access to all programming.

To borrow material, a valid South Brunswick library card must be presented at the time of check-out. Fines must be kept below \$50.00 and there cannot be any lost items on the account.

First time library cards are issued at no charge. However, the library does charge a \$3 replacement fee for any lost card. Lost cards should be reported to the Library immediately. Cardholders are responsible for all borrowing on an active account.

Confidentiality of Library Records

Library staff is not permitted to give information about an account to anyone but the cardholder. The New Jersey Confidentiality of Library Records Law provides that:

“Library records which contain the names or other personally identifying details regarding the users are confidential and shall not be disclosed except in the following circumstances:

1. The records are necessary for the proper operation of the library.
2. Disclosure is requested by the user, or
3. Disclosure is required pursuant to a subpoena issued by a court or court order

N.J.S.A. 18A:73-43.1

Based on legal opinion and guidance of the New Jersey Library Association, the South Brunswick Library will release records of minor children elementary school age and younger to parental units in deference to the Parental Access to Unemancipated Child’s Records Act. The library card or other proof of family relationship must be presented.

Damaged/Lost Items:

Patrons who lose or damage an item must pay for the replacement cost of the item plus a \$5 processing fee. The replacement cost is that listed in the catalog. If the cost is not listed or the item is no longer in print, the patron must pay the default price listed on the schedule of default prices. An additional processing fee is not charged to those patrons paying the default price.

Patrons may not supply replacement items or donated items in place of payment except on a case by case basis with the pre-approval of the Supervisor of Borrower Services or Administration.

A person who fails to pay for a lost item will have his/her borrowing privileges suspended. Patron accounts with lost items totaling \$100 or more may be sent to collections. Patrons will receive two overdue notifications, a lost item notification, and a letter from the collection agency before being officially sent to collection. Patrons are responsible for paying the cost the library incurs for collection services.

Limit of Items Charged Out

There is no limit to the number of items a person may check out with the following exceptions:

Only three magazines of the same title

Only three nonfiction titles with the exact same call number

One assigned summer reading book per child at a time during the summer

Renewals

Most items can be renewed two times as long as there is not a hold placed on the item. Renewals may be done in person, over the phone, or online via our webpage. When renewing over the phone you must have your user id available. After the renewal limit is reached the item must remain in the library for 24 hours before the same person may borrow it again.

Hotspots and chromebooks can only be renewed one time if there is no hold.

South Brunswick cardholders are given priority for holds and renewals of South Brunswick items over cardholders from other towns.

Holds

South Brunswick patrons can place holds on most items in the library as well as some material from other libraries through a system hold or inter-library loan. This service is free of charge in most circumstances.

For the shipping of an interlibrary loan from out of state, a \$3 charge may be billed to your account. Patrons will be contacted in advance for authorization of this \$3 fee.

Patrons who fail to pick up items placed on reserve will be billed \$.50 per item unless they notify the Library before the item is placed in transit.
